

## Meanings of colors in the Bible

God used a visual sign of colors to represent a covenant He made with all the people of the earth. “I set my rainbow in the cloud, and it shall be for the sign of the covenant between me and the earth... The rainbow shall be in the cloud and I will look on it to remember the everlasting covenant between God and every living creature of all flesh that is on earth. “(Gen 9:13, 16) Symbolic meaning of colors is derived based upon repeated use in certain contexts (*e.g. Biblical, in nature, cultural*).
